# COAST GUARD HISTORY

The Coast Guard is a military, maritime, multi-mission service operating within the Department of Homeland Security dedicated to the safety and security of the American people.

The Coast Guard traces its roots to the United States Revenue Cutter Service established by Alexander Hamilton (The father of the Coast Guard) under the Department of the Treasury on August 4, 1790. The initial laws establishing the Revenue Cutter Service authorized the building of ten cutters which were tasked with enforcement of tariff laws and the prevention of smuggling.

The original ten cutters were named Massachusetts, Scammel, Active, Eagle, Diligence, Argus, Vigilant, Virginia, South Carolina and General Greene.

The modern Coast Guard dates to 1915, when the Revenue Cutter Service merged with the United States Life-Saving Service. President Woodrow Wilson signed into law the “Act to Create the Coast Guard.” In 1939, the U.S. Lighthouse Service was added.

In 1942, the Bureau of Marine Inspection and Navigation was transferred to the Coast Guard. In 1967, the Coast Guard moved from the Department of the Treasury to the Department of Transportation, which lasted until 2003 when it was transferred to the new Department of Homeland Security in response to the September 11, 2001 terrorist attacks.

The Coast Guard is further defined by 14 U.S.C. 1 “The Coast Guard as established 28 January 1915 shall be a military service and a branch of the armed forces of the United States at all times. The Coast Guard shall be a service in the Department of Homeland Security, except when operating as a service in the Navy.”

# “THE COAST GUARD ETHOS”

I am a Coast Guardsman.  
I serve the people of the United States.  
I will protect them.  
I will defend them.  
I will save them.  
I am their shield.  
For them I am Semper Paratus.  
I live the Coast Guard Core Values.  
I am proud to be a Coast Guardsman.  
We are the United States Coast Guard.

SUBMARINE PIPELINES AND CABLES  
Charted submarine pipelines and submarine  
cables and submarine pipeline and cable areas  
are shown as:

one chain. For all submarine pipelines and submarine  
cables are required to be buried, and  
those that were originally buried may have  
been exposed by erosion or other causes.  
The horizontal reference datum of this chart  
is North American Datum of 1983 (NAD 83), which  
for charting purposes is considered equivalent to  
the World Geodetic System 1984 (WGS 84).  
Geographic positions referred to the North  
American Datum of 1983 must be corrected an  
average of 0.400' northward and 1.300' eastward  
to agree with this chart.

## OFFICIAL COAST GUARD MARCHING SONG

# SEMPER PARATUS

(Always Ready)

By. CAPT. Francis S. Van Boskerck, U.S.C.G.

### First Verse:

From Aztec Shore to Arctic Zone,  
To Europe and Far East,  
The Flag is carried by our ships  
In times of war and peace;  
And never have we struck it yet  
In spite of foemen's might,  
Who cheered our crews and cheered again  
For showing how to fight.

### Chorus:

We're always ready for the call,  
We place our trust in Thee.  
Through surf and storm and howling gale,  
High shall our purpose be.  
"Semper Paratus" is our guide,  
Our fame, our glory too.  
To fight to save or fight and die,  
Aye! Coast Guard we are for you!

### Second Verse:

SURVEYOR and NARCISSUS,  
The EAGLE and DISPATCH,  
The HUDSON and TAMPA,  
These names are hard to match;  
From Barrow's shores to Paraguay,  
Great Lakes or ocean's wave,  
The Coast Guard fights through storms and winds,  
To punish or to save.

### Third Verse:

Aye! We've been always ready!  
To do, to fight, or die  
Write glory to the shield we wear  
In letters to the sky.  
To sink the foe or save the maimed,  
Our mission and our pride.  
We'll carry on 'til Kingdom Come,  
Ideals for which we've died.
